Your comments on the planning application

I completely object to the proposal to develop this site for a school. My elderly parents live nearby on Downshire Hill and they find that this road is already very busy with traffic and gets congested during the school run times. It will be even worse if another school is opened in the Hampstead area. This site is completely unsuitable for a school, as it faces onto a main busy road. The building development plans are unsuited to the Grade II listing.

Surely Belsize Park Abacus School can find another site that it better suited for a school for young children?
