2016/1559/P	Andrew Day	Flat 52 139 Haverstock Hill London NW3 4RX	25/04/2016 20:37:13	OBJ	We live in Flat 51-52 in 139 Haverstock Hill on the 5th Floor of the building. The proposed design will overlook both our living room window and a bedroom window. The proposed extension on the 6th floor will reduce light into our living room and the bedroom. We therefore object to the proposed design as it unduly affects our property. The alterations will also affect the view from our living room window and give us a feeling of being overlooked.
