2016/2042/L	Bruce and Christina Mckenzie	1 Lambolle Road Flat 4 Belsize Park, London NW3 4HS	26/04/2016 10:35:38	COMMNT	<p>We are very excited to learn that Abacus will be moving into the old police station. It is wonderful to have a new local school for Belsize park (and other children) As a parent whose 10 year old never was offered a Camden place by distance until year 4- we don't want others to go through the stress we went through- Abacus is what the Belsize and local area need! parents may not realize how bad it was before this option existed.</p> <p>Yours Christina McKenzie</p>
