The proposed halo and internally illuminated fascia signs and internally illuminated projecting sign are considered acceptable in terms of their size, design, method of illumination and location and would be in keeping with their setting on this busy commercial street of High Holborn. The proposals will not impact on neighbour's amenity nor will they be harmful to either pedestrians or vehicular safety.

The site planning history and relevant enforcement have been taken into account when coming to this decision. No objections were received prior to making this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords the Fitzrovia Area Action Plan and with policies 7.4 and 7.6 of the London Plan 2015, consolidated with alterations since 2011; and paragraphs 14, 17, 56-67 of the National Planning Policy Framework.
