2016/1401/P	Richard Harding	62 Gloucester Crescent London NW1 7EG	27/04/2016 11:22:04	COMMNT	<p>We objected to the previous application, and remain of the view that the proposed building is unsuitable for the location.</p> <p>There is no sensible justification for an increase in height. As proposed, it would be well above the fence-line (which is already higher than the garden walls).</p> <p>Due to the angle of the gardens, the proposed building will effectively be facing our house, and it already too large.</p> <p>The planning officers are welcome to visit our house and garden to assess the effect of the proposal.</p>
