Your comments on the planning application

Dear Sir / Madam,
I strongly object to this application on the grounds that I have listed below.
I am a disabled man , and I live in a property adjacent to No 6.
I have lived here for over 3 years now and there has been at least 5 refurbishment, who have had little or no regard to neighbours.
1 Closure of pedestrian walkway outside No 6 , due to delivery and removal of rubble, refuse and materials.
2 Up rooting of trees outside No 6 for purpose of deliveries

4 Cleanliness of the street

5 Security to surrounding properties should this application be granted

6 The removal of cycle banks (outside No 6) where student park cycles. This would have to be done for deliveries and usage of machimera

7 Influx and transition of vermin

8 The overlooking of adjacent properties from 3 storey buildings

9 The overbearing use on our drainage

10 The dirt and dust from constant demolition and basement excavation

11 The vibrations due to buildings works to adjacent properties.
