<i>My enquiry is</i>	Dear Sir or Madam, I have written in the past enquiring on permission to remove an ornamental cherry tree having difficulty uploading the map and photos. Now the tree is diseased and dying according to my landscaper. There's fungus on the trunk and earlier on a jelly-like red sap discharged for larger branches. Please let me know how I apply for emergency permit to remove this tree from my private property at 30 Daleham Gardens, Garden Flat A, NW3 5DD. It's located between the house and driveway. Kind regards, Yasmin E. Quartey
