Hello Tessa,

Thanks.

Would it be possible to raise a further objection to the revised scheme. I appreciate that they have removed the terrace, However, the right hand side (looking from review) floor to ceiling window as proposed would allow access to the planted roof. I would like to press for a railing (Juliette balcony type) to ensure that there is no access from this point.

Can you let me know how I can formally raise this at this point in time.

best wishes
Deborah

Good morning Deborah,

I will check the further objections/comments are uploaded. The applicant has revised their scheme to remove the roof terrace and privacy screen.

If you have any questions, please let me know.

Dear Tessa,

The Member Briefing is today and I can't see my latest letter (sent 26 April) uploaded onto the website. However, I can see that on 29th April you uploaded a new plan from the architect. I am concerned that my recent letter (and those of my neighbours) following your visit are not available for the Member briefing to see. I urgently need this letter to be seen.

Please can you upload these and ensure that these letters are drawn to the attention of the board at the meeting.

very best wishes
Debbie
