Will increase traffic twice a day with hundreds of cars for primary kids. More noise and congestion. All surrounding streets blocked. There is a new build at Royal Free, Rosslyn Hill is designated the construction corridor for HS2. Noone is taking in to consideration any of these. Ambulances won't be able to move in the area and this spills across Hampstead. Noise and pollution currently twice the UK and EU legal limit. Please find appropriate space for a Belsize Park school in BELSIZE PARK.
