**Subject:** RE: Planning & advertisement applications - 2016/1976/P & 2016/ /A - 160 Camden High Street

Hello Tony,

Our signage contractor has come back and stated:

- Projecting sign is 70 Candelas m2 – instead of 90 Candelas m2 (slight mix up with numbers their end, apologies)
- Fascia Sign is 90m2

I have attached the newly revised plan which illustrate these details.

Hopefully the application will now be validated, please let me know if there is anything further you need.

Regards,

Darren Edmonds BSc
