2016/1538/P	James Taylor	40 Ingham Road London NW6 1DE	30/04/2016 16:21:36	COMMNT	A comment to raise concern over the nature of what is proposed for the ground floor on the east flank at the rear of the property, on the boundary with no. 40. The proposed brick wall (see east flank on drawing 15-197-P- GA 51) will result in loss of light to the garden of no. 40 given both its height (increased from the current conservatory at the northern end) and it being a solid brick wall rather than the current glass conservatory.
