2016/1564/P	PJ White	45 Princess Road london nW1 8JS	01/05/2016 14:10:48	OBJ	<p>This application is called 'Non-material amendments' which it clearly is not. Applicants should not be allowed to designate substantial changes to a consent in a highly sensitive historic site in this way in order to mislead the public.</p> <p>In addition it is inadequate. The one drawing shows units B04 and B05 but not units 1.1 and 1.11. Where are these and on which floor?</p> <p>in addition units G04, GO1 and GO2 are on the plan but where are units 108, 208 and 304 and on which floor?. it is no use putting in a substantial change to existing consents without detailed drawings.</p> <p>So tell the applicant to go back to the drawing board, re-submit a full and proper application and give it a correct name.</p>
