Dear Sir/Madam,

**APPLICATIONS FOR SHOPFRONT ALTERATIONS AND ADVERTISEMENT CONSENT**  
**31 WINDMILL STREET, LONDON, W1T 2JN**

I am writing further to the above applications, and with particular regard to the proposed louvres. This application simply relates to shopfront alterations and proposes the installation of new louvres to allow air flow into the building. No external plant or equipment is proposed and I don't therefore feel an acoustic report is necessary for this application. I note your Environmental Health Officers have raised no issue with the proposals.

I really hope you will be able to take this forward for approval now.

I trust that you have sufficient information in order to validate the application, however, should you have any queries then do not hesitate to contact me.

Yours faithfully,

MARK SHEARMAN  
Director
