Postcode	NW3 2JR

Your comments on the planning application

Overdevelopment of the site: The property currently has an existing garden room and conservatory for which planning consent has not been granted. The conservatory on the roof terrace already causes loss of light to flat A (the ground floor flat) and its proposed extension for which planning consent is granted. The proposed erection of a room on the roof terrace which is larger and higher than the existing conservatory will impact further upon the loss of light for the ground floor flat and neighbours. In addition there is a proposal to erect a wooden fence on the terrace which will again impact upon access to light to the ground floor flat and

neighbours as its light source is located in the roof of the approved extension. The development of the loft space and the proposal to have a full length doors overlooking the proposed ground floor extension will impact upon light and loss of privacy to the ground floor. The erection of an extended brick built platform /staircase will again impact upon loss of light and privacy enjoyed by the ground floor. Moreover the proposed brick built staircase is not in keeping with current arrangements in the area as the existing wooden staircase and other similar staircases being built of either wooden or metal construction. The 3 roof lights at the front of the property are not in keeping with the conservation area and are excessive to those properties which have undertaken similar conversion in the past.
