The Council has considered your application and decided to grant permission.

Informative(s):

- 1 The arboricultural method statement and tree protection plan are considered sufficient to demonstrate that the trees to be retained both on and off site will be adequately protected during development in line with BS5837:2012.

The full impact of the proposed development has already been assessed. The proposed details would not have a harmful impact on the appearance of the host buildings and streetscene or on neighbouring amenity.

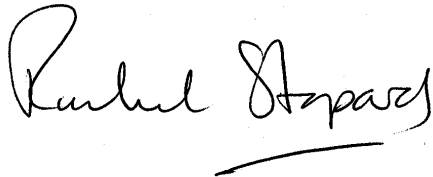

As such, the proposed development is in general accordance with policy CS15 of the London Borough of Camden Local Development Framework Core Strategy.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
