2016/2273/T	Amy Rann	16d Belsize Square London	05/05/2016 21:34:15	OBJEMPER	I'm against this application to fell what is a beautiful part of our landscape. There have been too many mature trees felled in this area and it is beginning to lose its unique charm and character. One more felling should be opposed. Moreover it destroys something that will take 40 years plus to replace. Please do not allow this butchering of our view. It is environmentally disastrous to permit this application.
