Dear Sir

Arqiva Ltd : Smart Water Metering Network for Thames Water

Permitted Development – Prior Approval Determination Application – Imperial Hotel, Russell Square, London, WC1B 5BB. (NGR 530240 181992)

On behalf of Arqiva Ltd, we submit herewith an application for a prior approval determination for the installation of electronic communications apparatus at the above site as part of Arqiva's planned smart water metering radio network, to be utilised by Thames Water.

Arqiva Ltd is designated as an Electronic Communications Code Operator under the provisions of the Communications Act 2003 and operates in accordance with the Electronic Communications Code (Conditions and Restrictions) Regulations.

The application is submitted in accordance with the requirements of Part 16 of Schedule 2 to the Town and Country Planning (General Permitted Development) (England) Order 2015, and seeks a determination as to whether the Authority's approval will be required for the siting and appearance of the development.

The application comprises:

- i. The written description of the development: The installation of a pole mounted omni antenna and an outdoor cabinet with ancillary equipment at roof level.
- ii. An O.S. site plan drawing reference number 305066L-00-004- ML001 Rev 1. Showing the location the apparatus will be installed.
- iii. Payment of £385 in respect of the application fee
- iv. The Developer's Notice served on the landowner.

The following information is also provided to assist with your determination of the application:

- v. The Authority's 1APP form for telecommunications development prior approval applications
- vi. The following drawing reference numbers providing further details of the siting, layout and design:
 - 305066_MD-01-100 – MD001 Rev A. Site Plan
 - 305066_MD-01-150 – MD001 Rev A. Elevation Plan
- vii. A supporting Planning Statement that includes the Design and Access Statement
- viii. An ICNIRP Certificate
