Please correct the first sentence, which should read "I am happy to support this application for extensions which in my view have been sensitively designed."

Kind regards,

Ted Dougherty, 72 Hadley Street, London NW1 8TA.

I am happy to support this application for extension which in my view have been sensitively designed.

In any case, the roof line of 70-74 Hadley Street, when viewed from further up the street, is overshadowed by both the school and its obtrusive new extension behind these properties.
