## Arboricultural Design & Consultancy

BA (Hons) | NDArb | AATechcert (ArborA) | EGS.Dip

### **Arboricultural Note**

*Photographs showing northern and southern boundaries adjacent to and within close proximity of proposed basement footprint and*

**Date:**

29th April 2016

**Site:**

26 Dartmouth Park Avenue  
London  
NW5 1JN

**Prepared by:**

Marcus Foster  
BA (Hons); NDipArb; AATech.Cert; EGS.Dip

**Notes:**

It can be confirmed that there are no trees within the neighbouring properties to either the north and south of the rear garden boundary of 26 Dartmouth Park Avenue, London, NW5 within close proximity of the proposed development. As shown from the photographs that have been taken - 26/04/16, there are no trees which will be affected by excavation works.
