2016/1559/P	Andrew Day	Flat 52 Romney Court 139 Haverstock Hill London NW3 4RX	09/05/2016 08:33:27	OBJ	I am unsure of whether my previous comments were received. I live in Flat 52 of 139 Haverstock Hill on 5th floor. The proposed extensions on the 6th floor will significantly affect the light in my bedroom and living room. The extension will also mean my living room is overlooked and people will be able to look into our flat affecting our privacy. The size of the extension is in my opinion unwarranted and will detrimentally affect the view from the south facing windows. The extensions also go right up to the boundary between our properties which again I feel is unwarranted. I therefore object to the proposed planning application.
