2016/1964/P	AJS Jennings for BCAAC	Flat Z 12-18 Bloomsbury Street WC1B 3QA	07/05/2016 12:31:10	OBJ	The proposed grey curtain wall frame and powder coated metal surround are totally inappropriate to the amenity of the conservation area. The existing front elevation blends with the adjoining buildings well in terms of colour and design. Any proposal must 'preserve or enhance' which this manifestly does not, so it must be rejected. For Bloomsbury CAAC.
