

Re: "Lawn Rd, Development" Luxury
Apartments/Penthouses!!"

Dear Sir/Madam,

'Fairview Prestige'

As, a tenant, living in
Cemden, I am not, in favour, of some
luxury Penthouses apartments being built by
'Fairview Prestige', near, to the block, where I live!

"As, what about, us?" & you have,
given planning permission, for him, to do so.
and it wait he all that long, before they are
up!! As enough men, to do the job! —

- I regret, this doesn't seem, right!?

I can appreciate, you have to do something
with the land, but this, is not a good
idea, by far, and 'Privatise', have gone
haywire in granting this, decision.

- The money is a complete, waste!
Makes no sense? On top, of two blocks! —

"Lawn Road" It should have been used
for us, and not a luxury townhouse!
