

Dear Mr Tulloch,
Recently enjoying the services of the pub I noticed the application signs outside of the establishment. I fully support the Sir Richard Steeles pubs application as a means to safeguard the pub for the good of the local community.
Kind Regards

Dear Mr Tulloch

After visiting the Sir Richard Steele a few times over the past couple of weeks, I fully support the planning application to incorporate a larger kitchen and accommodation facilities. I believe it will be of benefit to the community for years to come.

Kind Regards
