Informative(s):

- 1 Reasons for granting listed building consent:

The site is the grade II* listed Freemason's Hall, built 1927-33 to a design by HV Ashley and Winton Newman. The proposal involves the addition of a hand-carved inlaid commemorative plaque located to the ground floor of the south-west end of the elevation facing Great Queen Street to commemorate the tercentenary of the founding of the Grand Lodge in 1717. The propose plaque is sensitively located and has been designed to complement the existing design and materials. The proposed development is therefore considered to preserve the appearance and special interest of the listed building.

Public consultation was undertaken by placement of a press notice and site notice. One response was received from the Covent Garden Community Association, who raised no objection. Historic England was consulted, whereby a response was received on 12-04-2016 authorising the London Borough of Camden to determine this application in accordance with national and local policy guidance and on the basis of its specialist conservation advice. The site's planning history was taken into account when coming to this decision.

Special regard has been attached to the desirability of preserving the listed building and its features of special architectural or historic interest, under s.16 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

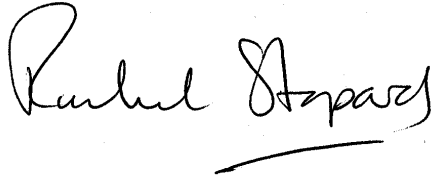

As such, the proposal is in general accordance with policy CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policy DP25 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policy 7.8 of the London Plan 2016, and paragraphs 14, 17, 56-68 and 126-141 of the National Planning Policy Framework.

- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Noise and Licensing Enforcement Team, 5 Pancras Square, London N1C 4AG (Tel. No. 020 7974 4444) or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
