dimensions:

This drawing has been prepared from a survey drawing that was based on rough survey measurements that were taken for OUTLINE DESIGN PURPOSES ONLY, which is NOT likely to be as precise as a full measured survey. As a result, no warranty as to the precision of the dimensions indicated or illustrated can be given. While this drawing can be used as a base drawing for construction and quotation purposes, due to the nature of the measurements on which it is based, it is VERY IMPORTANT that all dimensions are checked carefully before any work commences or any materials are ordered. If any discrepancies are noticed between this drawing and any other contract document then please contact Paul McAneary Architects Ltd immediately.
