2016/1205/P	Philip Castang	61 Hadley Highstone Barnet Herts En5 4qq	13/05/2016 11:19:15	COMMEM AIL	I am the owner of 95 Haverstock Hill which will be directly affected by the proposed development. There are two residential units which have windows facing the proposed roof extension and in both cases there would be a dramatic loss of light. In the case of the first floor unit, it would have the effect of blocking most of the natural light and all sight of the sky making the room feel extremely claustrophobic. I believe it would have a detrimental affect on the lives of my tenants and make both units very difficult to let thus having a severe commercial effect.
