Dear Sir/Madam

PROPOSED MICROWAVE DISH INSTALLATION AT BACTON TOWER, HAVERSTOCK ROAD, LISMORE CIRCUS, LONDON, NW5 4PX

The proposed planning application by New Line Networks LLC (“NLN”) is part of a microwave transmission link communications network. This application is being submitted as a full planning application pursuant to the Development Management Procedure Order (2015) and the Planning (Listed Buildings and Conservation Areas) Act 1990, as the development is not being undertaken by a code systems operator. This application should be seen as part of a comprehensive scheme of telecommunications improvements.

The application comprises:

- Planning application form and certificates;
- Planning drawings –A3_BCT, 100, 200, 300, 400
- Prescribed fee - £385
- Site Specific Supplementary Information;
- Design and Access Statement;
- Copy of Article 13 Notice as sent to the owner; and
- ICNIRP declaration.

The enclosed application is identified as the most suitable site option and design that balances operational and technical need with local planning policies and national planning policy guidance.

Furthermore we would like to assist the council and would like to arrange a presentation or meeting with your officers and members to discuss the issues if appropriate. We are committed to maintaining a positive relationship with all Local Planning Authorities and we would be happy to provide any additional information in relation to this application.

We look forward to receiving your acknowledgement and decision in due course.

Yours faithfully
