My grandson is a pupil at the school and we are delighted with their approach. They desperately need to get on with the new building so please do not delay any further. There is a desperate need for infant/junior school places in the Belsize area and this is a fabulous location.

Not sure why this is being apposed! I live directly opposite a school and have never found this a problem. If anything it is a bonus!

Parents should have the right to choose a local primary school. They should not be forced to travel out of borough or attend a church school if they don't wish too. We need more local primaries, not less. Therefore it is imperative that this school opens and gives people a real hour in Belsize. The Free School initiative in Belsize/Hampstead can only raise standards and is to be welcomed. Altogether a wonderful opportunity providing real choice for local parents.
