Hi Harry,

Please take this e-mail as confirmation that I have consulted with all tenants/parties who occupy 90High Holborn, and on the basis of the amendments that DP9 have put in place, we no longer object to the development and this decision on the amended drawings as present to us on 5th of April.

I've also spoken to Elaine directly today to inform her that Olswang will no longer be objecting to planning application ( REF 2015/4407/P).

Please as discussed when we last meet that on the 5th of April, please contact us closer the time of the construction start date so we can get a better understanding of planned delivery and access to site, so I'm fully informed and can cascade the plan to our tenants and suppliers of what to expect well in advance of works starting.

Kind regards

Simon
