Subject: Application - 2016/1780/L Site Address 12 Leverton Street London NW5 2PJ - log as an objection!
Categories: Orange Category

Dear Darlene Dike

I live almost opposite 12 Leverton St and I am objecting strongly to this application because there are no plans shown online. This is a Grade 2 listed house and the internal alterations proposed are extensive. From the listed description it looks as if many of the original features of the house will be removed but I need to see architect's plans before I can make a proper response.

Please withdraw this application as it stands and ask for plans to be produced and shown online.

Please confirm receipt of this email. I would be grateful if you would reply to me and explain why no plans are shown.

Yours

Caroline Hill
