2016/1590/P	Mary Sheppard	14 Lindfield Gardens NW3 6PU Flat 4	16/05/2016 19:11:32	SUPPLETTER	<p>I am emailing to register my support for application number 2016/1590/P for the redevelopment of the former Hampstead Police Station for a two-form entry primary school.</p> <p>My son is in reception class currently at abacus Belsize primary school and he loves it! Our family loves it and we fully support the move to the new home. We moved here from the U.S. in the fall at the start of the school year. It was a big move abroad and the school staff and parents were so supportive during our difficult transition. I really feel like abacus is a special place and were exactly where we should be! Currently, our child is bussed to and from school due to the current location being out of our catchment. The bussing of the children currently limits face to face for all. It will be amazing for the school, the teachers, the children, the parents when the site moves to its permanent location. We will get to have face to face interaction with the teachers, staff, other parents and feel more like a community! :-) Many thanks for reading this and please feel free to email or call if you would like to hear more from me.</p>
