2016/2036/P	Peter kennedy	4c King Edward mansions Wc2h 8dy	18/05/2016 08:46:04	COMMNT	We live directly over the road and will have no natural light if this goes ahead (which already has been significantly reduced due to theatre extension) We also do not want people looking directly into our flat. Therefor we object to the planning application
