Dear Mr Gracie

Albertini's, 16-20 Chalton Street - 2016/1446/P & 2016/2169/L

The Disasters Emergency Committee are long term and regular customers of Albertini's. I am writing to express my support for the application for change of use to A1/A3. Albertini's has been established in Chalton Street for over 10 years. It is an independent sandwich bar that is popular within the area, frequented by many customers who live and work along Chalton Street as well as in the locality. The proposed change of use to A1/A3 will allow the business to widen the service offered to its customers, enabling it to remain viable and to continue to have a positive impact on the vitality of Chalton Street.

I urge you to approve the application to ensure that this important local facility not only survives, but thrives.

Yours sincerely,

Brendan Paddy
