Dear Sir/Madam,

I am in receipt of your letter regarding the felling of trees in my area. In it, you mention the felling of a maple tree (Tree 10) Would this be the maple tree at the back of Jacqueline House? I hope not. I have been a resident here for 16/17 years ~~and~~ and have admired the tree over this period & watched it flower each year. It adds to the view outside my window & keeps the flat cooler in the heat of the summer. It would really upset & depress me if you were to cut it down. I haven't written to

you earlier on this because of
the Bank Holiday but it
doesn't lessen the very strong
feelings I have about this.
I hope you can see your way
to save the tree which is
so beautiful. None of the
branches are near the window
& they did lop it quite a lot
a couple or so years ago. I
don't see that it poses any
threat or danger to the
community.

I do so hope you will
consider these points to my
objection & save the tree.

I am,

Yours faithfully,
A.E. Harris.
