

## PHOTOGRAPHS OF PROPOSED TRANSMITTER AT WESTON HOUSE, 242 – 246 HIGH HOLBORN

- Note :**
- 1) To assist in understanding the visual impact of these devices, a dimensional representation (orange dish mounted atop a pole) was produced and photographed.
  - 2) Photographs taken from a combination of Weston House roof and a neighbouring building's roof (the roof where the data will be transmitted to and from – see separate planning application).
