

Planters

Trough Planter

£83.99

The trough planter will lend itself well to flower, herb, shrub or vegetable plantings; add some trailers to soften the edge and turn it into a great feature.

Height: 410mm.

Length: 1000mm.

Width: 500mm.

Made from, 'Tanalised' - pressure impregnated treated FSC certified timber and finished in a pale green colour, with the latest generation wood preservative.

Delivery cost may be cheaper by courier for those who do not live near our Hertfordshire base, please contact sales for details.
