Kate Phillips
Planning Officer
London Borough of Camden
Tudd Street
London WC1H 8ND

Dear Kate,

PLANNING PERMISSION TO MOVE MEMORIAL TO 9TH DUKE OF ST, ALBANS
AT HIGHGATE CEMETERY.

Please find enclosed my planning permission application (minus the site plan, which will follow - that is being done by Highgate Cemetery). I have included a photograph and diagram w/ measurements of the memorial itself as well as a heritage statement (not sure if this is required).

It is probably worth pointing out that it was Highgate Cemetery who originally approached my father in March 2009, requesting that he remove the memorial to make room for other plots. The request was made because the 9th Duke of St. Albans, to whom the memorial is dedicated, is not actually

P.T.O.

buried on the site.

As you know, planning permission has already been granted by Gadhig Borough Council, Nottingham, at the other end. All being well, we would like to move the monument in August when the ground is dry (hopefully!), as this will make the task a lot easier. It would be wonderful if Camden could grant their permission before then.

Thank you for your help with the application.

Kind regards,

Charles Beardsley

P.S. The memorial is not listed.
