Vodafone Limited, has entered into an agreement with Telefónica UK Limited, commonly known as O2, pursuant to which the two companies plan to jointly operate and manage a single network grid across the UK. These arrangements will be overseen by Cornerstone Telecommunications Infrastructure Ltd (CTIL) which is a joint venture company owned by Vodafone Limited and Telefónica UK Limited.

This agreement allows both organisations to pool their basic network infrastructure, while running two, independent, nationwide networks. This application is submitted for and on behalf of Cornerstone Telecommunications Infrastructure Limited (CTIL) and Vodafone Limited.

The full planning application comprises:

- The original and 3 copies of the 1APP full planning application forms and applicable certificates;

Furthermore we would like to assist the council and would like to arrange a presentation or meeting with your officers and members to discuss the issues if appropriate.
