Subject: re; planning application for air conditioner vent outside 25 Rochester Square

Hi Matthias,

I spoke to your colleague who recommended I send you an email as I've been sent a consultation request form for next door's proposal.

I just moved to 26A Rochester Road, mainly because it's a conservation area and it's important for it to be treated as such in regards to noise pollution.

Air conditioning condenser units are extremely noisy and I would very much be against having to hear its awful sound next door.

Very much against.

Many thanks for your time,

Donna King
