Dear David

**Liddell Industrial Estate, 1-33 Liddell Road, London NW6 2EW**

**Section 73 (MMA)**

**Application to vary condition 2 of planning permission 2014/7649/P**

In relation to the above we submit, on behalf of the applicants a Section 73 (MMA) to vary condition 2 of the above planning permission.

In the period since the granting of the consent the design team has been developing the design and ensuring its technical delivery.

As a result of this more detailed design and technical work it has been necessary to make a number of minor adjustments to the design.

These amendments, which are detailed on MLUK-403-08.12\_Amendments to Planning Schedule\_160513 include:

- Minor adjustments to the roof profile of the school building,
- Minor adjustments to the FFLs to ensure that the scheme is accessible to all.
- Minor refinements to the building proportions.
- Removal of ventilation chimneys and removal of louvres in response to technical developments associated with the chosen ventilation strategy.
- Retention of existing masonry wall to railway line.
- Minor design/ material changes.
- Adjustment to works to be included in phase 1 and phase 2.
