| And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? | Q | Yes | ۲ | No |

If Yes to either or both of the above, you <u>may</u> need to provide a full Tree Survey, at the discretion of your local planning authority. If a Tree Survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.

## 16. Trade Effluent

Does the proposal involve the need to dispose of trade effluents or waste?

#### 17. Residential Units

Does your proposal include the gain or loss of residential units?
