Your comments on the planning application

first i would like to say that my bedrooms, living room and garden will all be affected by this new planning application

the size of the height of the building will cause a loss of light and privacy to me and my neighbours dwellings

our gardens and living areas will be overlooked we are already surrounded by extractor fans that are a constant noise nuisance we have enjoyed 25years of peace and privacy in our homes and now you want to take that away from us.
