Dear Sirs,

**BRE Daylight and Sunlight dated 22 March 2016 – 6 Coptic Street, London WC1A 1NH**

I have reviewed the comments prepared by the case officer at Camden Council in your email dated 25 April 2016 and I am pleased to respond to the queries below:

1. The window classifications can be found in the results tables in appendix 2 of the report in the columns headed 'Use Class'.  
The software used to carry out the calculations is Light Vidia Version 2016\_02\_03\_v2016\_x64.  
The report was completed by Jonathan Ray BCom (Hons) PGDip in Building Surveying. Right of Light Consulting Ltd is regulated by RICS.
2. I have added an additional appendix to the report that identifies the horizontal and vertical measurements of the windows tested.

Yours sincerely,

Jonathan Ray  
BCom (Hons) PGDip
