Kingspan Tarecpur Pipe Insulation

Further to your enquiry,

All insulation shall be CFC and HCFC free, non-fibrous, with zero Ozone Depleting Potential (ODP) and Global Warming Potential (GWP) less than 5.

These criteria satisfy the requirements of the Building Research Establishment's Environmental Assessment Method (BREEAM) Pollution category, ODP of zero and GWP less than 5.

Assuring you of our service at all times

Yours faithfully

Gavin Harris
Technical Service Advisor
Kingspan Industrial Insulation Limited
