Project:	Maisonette
-----------------	-------------------

Further to your recent enquiry regarding the above site, we are pleased to offer the following equipment for your consideration. The equipment requires a 240v/1ph/50Hz/N/E power supply. The following selection is based upon our standard equipment datasheets with modifications or enhancements to suit the particular application or project specification.

Equipment:	Residential 'House Booster' Set (1.4 l/s @ 4.0 Bar) 2 Pump Option (Duty/Assist)		
Description:	Basic Twin pump variable speed booster set with WRAS approved horizontal multi-stage pumps , pressure transducer, pressure gauge, suction & delivery isolating valves, delivery non-return valve, suction & discharge manifolds with 1½" BSP threaded connections and 24 litre accumulator all mounted on a steel baseplate. Integrated 233 litre WRAS approved 'AF' pre insulated, GRP break tank assembly c/w 22mm float valve, and low level cut-out float switch Approximate dimensions: L=1000mm x W=650mm x H=1711mm		
Model Number:	AP-204-VPS/BT0302AFS	Price:	£5,665.00
Additional Items:	Break tank low level cut-out float switch	Included	
	Break tank high level indication float switch	£85.00	
	WRAS 1½" BSP MxM flexible connections	£140.00 / Pair	
	Set of 4 standard duty rubber anti-vibration mountings	£120.00	
Delivery:	Delivery via flat backed vehicle (no off-loading)	Included	
	Delivery via Hi-Ab vehicle (off-loading to ground)	£500.00 (Min)	
Commissioning:	Single commissioning visit (during normal working hours)	£400.00	

Unless otherwise agreed by a director of the company Allan Aqua-Systems Limited standard conditions of sale will apply. Current availability is 4/6 weeks and this quotation is valid for 60 days.

The prices quoted include delivery to site but not for off-loading, installation or VAT. Should you require off-loading to ground level we can arrange for a tail lift or Hi-Ab delivery for the additional cost stated, subject to suitable access and ground conditions.

We hope to have interpreted your requirements correctly but should you have any queries or wish to discuss our offer in greater detail, please do not hesitate to contact us.

Kind Regards,

Dave Hall
