

Congratulations

69 Highgate High Street

You are within your target maximum consumption of potable water (105 litres per person per day).

Total water consumption from your calculation **104.99** litres per person per day

This calculator is intended to inform design choices by demonstrating the likely impact of specification changes on total water consumption. Results can only be used to demonstrate compliance with the Code for Sustainable Homes when the calculations have been verified by a suitably qualified Code for Sustainable Homes assessor.
