2016/1982/P	Mrs Tahta	64b Agamemnon Road London NW6 1EH	26/05/2016 22:13:46	OBJEMAIL	<p>Dear Sir/Madam,</p> <p>I object to the planning proposal of a rear extension at 62 Agamemnon Road on grounds of loss of visual amenity, loss of light, loss of privacy, overlooking and overdevelopment.</p> <p>Three rear rooms in the first floor flat at 64 Agamemnon Road have single windows which overlook the adjacent side yards to numbers 62 and 64 and the low single rear extension to no 62. A three-storey extension with a roof terrace at 62 would overlook and block light and views from these windows.</p>
2016/1982/P	Subhash Mehta	64 Agamemnon Road London NW6 1EH	26/05/2016 15:26:16	OBJ	<p>Dear Sirs,</p> <p>I am writing to object to this application on the grounds that the proposed extension will have an adverse effect to the sunlight and daylight to my building.</p> <p>Similarly, it will create a sense of enclosure and loss of outlook.</p> <p>Thus, it will negatively effect the enjoyment of my building as the living conditions will deteriorate.</p>
