2016/2262/P	Miss Nikki Demosthenou	38 Temeraire Road Manadon Park Plymouth Devon	19/05/2016 17:20:15	APP	I'm am writing to appeal on the application of the mansard roof extension. The property is a grade two listed building and we do not want any change to the building or the original Butterfly roof to be touched. we are the freehold owners of the property and do not want any disturbance to our tenants or any inconvenience. Also this be in our view over development of the site and will overlook our private garden. We do not give permission for scaffolding to be put on our land or our roof to be touched.
