2016/2324/P	paul rice	105 arlington rd	27/05/2016 17:01:31	COMMNT	Arlington Road is a residential street with hardly any commercial premises. There are currently no illuminated signs and to have one is not in keeping with the character of the street. The sign is already large and bright orange and illumination would simply be over-the-top. If approval were too be granted, then it should be on the basis that the sign is not illuminated when the shop is closed. Though, i suspect, this might prove difficult to enforce.
