2016/2527/T	PS Hickman	26a greville road	19/05/2016 10:47:29	COMMNT	Hi, I see that the residents of No.3 are planning on felling almost every tree in this very beautiful garden. I object to the wholesale cutting down of trees to create a blank canvas for a garden designer. Their work is usually very temporary and suburban and of no design or long term consequence. London is one of the greenest cities in the world and is not to be felled for the sake of somebody's suntan!
